**E**ngland beat India 3-1. Triumph at the Commonwealth Games and the European Athletics Championships. Meh. This is all small beer next to the joy of a new *Club* hitting the shelves, packed wall to wall with babes new, babes old, babes borrowed and babes distinctly blue. Our regular girl Dani beds in for her second issue, there's a distinctly sexy two girl shoot, the shit-hot Ryan (yes, she's female!) makes her debut, while Emma Green does the same on the Brit side of things. And like all our magnificent cricketers and athletes, these girls are very, very sporting...

## MAYE DAY!

Dear Club,  
I've written to you lot about six times asking for a new *Club* girl, and for that *Club* girl to be Danielle Maye. I love how her career has gone, her new big boobs, her photos in your mags and even her really rude clips you can buy on the internet. I'll be blunt – me and my knob can't get enough of her, so we're both delighted we'll be getting twelve issues

worth of her this year!  
Chris, Devon

*Thanks Chris, but twelve issues? Are you calling us lazy – we do 13 issues a year, one for every mo... oh, every four weeks. Dani says thanks for your kind words, and she can't wait to make you and your knob even happier. That's why she's here!*

Dear Club,

Myself and my boyfriend, James, have just discovered the pleasures of phone sex. I thought your readers might like to hear how we indulge our new-found passion. We've always spent hours on our mobiles chatting, but last week James sent me a text while I was sitting at work in the office. It just said, "I'm at home and wanking my dick thinking of yr gorgeous wet cunt."

It was so out of character for him, as he's usually quite reserved. At first I thought it was from someone else, or that he'd had his phone nicked. I got really turned on, and could feel my pussy tingling beneath my tights as I squeezed my thighs together. "What else are you thinking of?" I quickly texted him back, and waited excitedly for his reply.

"Pushing yr tits together and fucking yr cleavage!" he replied, which got me so hot I slipped a hand between my legs and stroked my damp slit through my lacy panties.

"Ring me in 2 mins exactly," I commanded him, fleeing to the toilets and locking myself in a cubicle. I dragged down my tights and knickers and plonked myself down on the seat. I spread my legs wide, pressed a finger against my clit, and waited. Sure enough, my phone beeped and a breathless James asked me if it was safe to talk. I told him to carry on wanking and that I would stay quiet, but he had to tell me what he was doing with his prick.

"I've wrapped a pair of your black lacy panties around my dick," he panted. "I'm going to jerk off into them while I picture you on all fours being fucked in the arse, you slut."

I groped between my legs and squirmed a couple of fingers into my fanny, whilst tickling my bumhole with another as I listened to my bloke talking filth. Someone came in to use the loo, but I didn't care. I just pumped my fingers in and out, my feet raised halfway up the door, allowing me easier access to my cunt and arse.

I usually finger myself with just one or two digits, but I was so turned on and so soaking wet that I soon had three then four up there. I wanted to tell him that I was occasionally licking the juices from them, but couldn't with someone waiting for cubicle!

## FUCKABLE FOOTSTEPS!

Dear Club,  
Having Sasha in the same issue as you announced your new *Club* girl was a nice touch. It's like she was passing on the baton. I know Sasha hasn't been the *Club* girl for a while, but for me she was the best ever, and I think Danielle is the perfect girl to follow in her footsteps – she looks so different but is just as sexy. I just want to know if she can deepthroat a dildo as well as Sasha can!  
Sean, Leyton

*The only way we'll ever know if Dani can do that is if we ask her for a demonstration. We just hope she knows we're only asking in the hope of answering a reader's question and the spirit of scientific enquiry. And not because it will keep our wank bank stocked up for a year...*

"You dirty little bitch! I'm going to spunk. I'm going to spurt in your face and cover you in scalding hot jizz. Are you ready, bitch? Is your twat aching for my dick?"

It was, and I came all over my fingers as I heard James grunt and unload his seed into my undies. My cunt was dribbling love juice all over the toilet seat as I pictured James' jetting knob and listened to him moaning as his balls emptied.

I wiped myself dry and returned to work still excited, and eager for our next dose of raunchy phone fun.

Green around the thrills...

**T**he lovely Emma Green invites us into her boudoir, 'where the magic happens' as she puts it. We make ourselves instantly unwelcome by trailing mud onto her shagpile – a shagpile she insists is literally a shagpile, as she likes nothing better than to lie on her back on it. Of course, the bloke on top will just end up with carpet burns unless he's wearing kneepads.

"No, this carpet is too soft and deep for carpet burns," Emma corrects us, "and anyway I spend my time on top as well. In fact, I'm a bit restless when it comes to sex and I like to swap positions every minute or two. I'm not the kind of girl to lie there until it's all over – it's supposed to be fun!" ♣

# club's ROUGH GUIDE

**Two very different sporting spectacles feature this month. Matt Loxham writes about them in a similarly amateurish way...**

## The Ryder Cup

**Gleneagles, Perthshire – September 26<sup>th</sup> to 28<sup>th</sup>**

Every two years the luminaries of European and American golf get together for a not so polite round or three of intense matchplay action. Players ordinarily used to knocking a little white ball around solely for their own personal gain suddenly find themselves with team responsibilities and intercontinental pride to think about. The result of this novel experience is often an explosive outburst of pent-up passion and patriotism not generally seen on any golf course anywhere. And therein lies the unique appeal of the Ryder Cup, an event that makes an ordinarily slightly tedious sport really rather exciting.

Take 1999's so called 'Battle of Brookline', for example, which saw the Americans mount a scintillating comeback and

wind up shamelessly leaping around for joy on the 17<sup>th</sup> green as though sportsmanship didn't exist. And then more recently there was 2012's Miracle of Medinah, where Team Europe won from a similarly dire position, a victory that culminated with team captain Jose Maria Olazabal fighting back the tears as he dedicated the achievement to the late, great Seve Ballesteros.

Undoubtedly, the Ryder Cup has the capacity to provoke powerful emotions in all concerned. Fists pump, high fives abound, and huge cheers greet successful drives and putts. The home crowd have even been known to abuse the away team's players and put them off their shots... honestly, it's just so refreshingly 'ungolflike'.

Recent history has been unkind to the US in this competition, and the Americans have only won one Ryder Cup since the turn of the millennium to Europe's five. Worse still Stateside, captain

Tom Watson has had to try and fashion a competitive team from a selection of beleaguered, out-of-form crocks who look highly unlikely to have the potential to improve on what is frankly a fucking dismal record. Tiger Woods has been struggling for any kind of form since having back surgery in March, Dustin Johnson has been ruled out and asked to 'seek professional help for his personal challenges', and both Matt Kuchar and Jason Dufner have been carrying niggling injuries. Bubba Watson, meanwhile, has developed a penchant for bollocking himself on course and throwing his clubs into the rough. European fans, naturally, would not mind seeing this at all.

On the positive side for the Americans, however, Rickie Fowler has been consistently impressive in all four major tournaments this year, and old stagers Jim Furyk and Phil Mickelson put in solid displays at the PGA Championship, the final 'big one' of the year. This trio will have to be at their very best if the US are to wrest the Ryder Cup out of Europe's clutches, and several others are going to have to find some form from somewhere, particularly as Paul McGinley's charges look especially strong at present.

Rory McIlroy is on the crest of a wave after bagging back-to-back majors in the British Open and the PGA Championship respectively, and should have his unfortunate opponents

trembling before they've even reached the tee. Sergio Garcia has also impressed towards the latter part of the season, and Henrik Stenson and Justin Rose offer stability and consistency. Germany's Martin Kaymer showed his class when winning the US Open back in June.

No surprise then that Europe go in to this one as favourites, and in all reality it would probably take an errant Tiger Woods to career haphazardly onto the course in his car, similar to when he allegedly drove into a tree and a fire hydrant in the grounds of his home, and splay both McIlroy and Garcia across the bonnet in order for the Americans to stand anything like a chance.

But then again this is the Ryder Cup, and where there's pride at stake anything can happen. That's what Team US will be telling themselves and the world's media anyway, whether it's true or not is another thing altogether...

## NFL Season 2014

Various Venues – September 4<sup>th</sup>

**A**merican Football is back, along with all the hype and bluster that seems to naturally precede its arrival. Amidst all the general fluff and padding there is actually a decent sport trying to get out from underneath all the NFL hullabaloo, it's just a shame that to discover it you have to endure countless frustrating breaks, some baffling terminology and plenty of bombastic guff.

Perhaps here in Blighty we should just be thankful that the Channel 4 coverage offers a much more measured, beginner-friendly and 'advert lite' way of keeping tabs on all things gridiron, although the late Sunday night live game means bleary-eyed Mondays throughout Autumn and Winter for British fans. But which teams are likely to merit the sleep deprivation?

After an incredible season that saw their talented young team make it all the way to the Super Bowl and destroy the Denver

Broncos 43-8 in the final, all eyes understandably are on the Seattle Seahawks again this time around. Crucially, powerful running back Marshawn Lynch remains at the outfit despite stubbornly digging his heels in for a pay hike, although emerging allegations of assault aimed at the man who plays in 'Beast Mode' might not have helped his pre-season focus. Russell Wilson is considered one of the most solid quarterbacks around, and Richard Sherman will again be at the heart of the Seahawk's famously stingy and hard-hitting defense, ominously nicknamed the 'Legion of Boom'.

If they can clear their Super Bowl hangover, the Denver Broncos are once again fancied to be the main threat to Seattle's bid to retain the title, with vintage quarterback Peyton Manning still key to their hopes after winning his fifth Most Valuable Player gong last time out at the ripe old age of 68. Manning consistently slinging his pin-point passes to speedy wide receiver Demaryius Thomas is one of the most potent offensive options in the league, and 330 pound man-mountain Terrance 'Pot Roast' Knighton offers fierce and prolific tackling. As an early form guide, the Broncos also edged out Seattle in a 'friendly', suggesting they're keen to put *that* humbling behind them ASAP.

However, it isn't all about last season's finalists, and a number of other teams hold very realistic hopes of making it to the

University of Phoenix Stadium, Arizona, where the 49<sup>th</sup> Super Bowl will be played. Fans of random numerical associations might want to plump for the San Francisco 49ers. They might also want to be more analytical and take note of the fact that the 49ers have again got a decent team, with rookie running back Carlos Hyde high on many an insider's 'one to watch' list. There's also talk of the New England Patriots assembling a defense to match an offense spearheaded by the other vintage QB in the league, Tom Brady

choices, the teams who have managed to retain their decent players and bolster intelligently. However, the way the NFL Draft is structured in that the worst performing outfits from the previous season get the pick of the best college players, and the existence of a salary cap resulting in quality high-earning players routinely being offloaded to other teams in order to free up cash, means that rags to riches tales are always possible in the NFL for the shrewder sides.

After a disastrous campaign that saw them slump to a record

**“It's a shame you have to endure countless frustrating breaks, some baffling terminology and lots of bombastic guff”**

(71), and if that's the case then everyone had better watch out. A loss to the Washington Redskins pre-season, however, suggests caution before sticking down the rent money.

These are in effect the obvious

of two wins and fourteen losses, the Houston Texans are fancied to make a big turnaround after adding talented rookies Jadeveon Clowney and Louis Nix III through the draft to a unit that already includes fearsome defensive end Justin James Watt.

Seattle and Denver might be the clear favourites, but teams like the Texans mean that no game can be taken lightly no matter how shit they've been in the past. The NFL is poised for another thrilling campaign, and if you can ignore the breaks and bombast, you might get hooked. With three matches taking place at Wembley, this is a sport slowly taking Britain by storm... ♠

Stuff to make your shelves groan...

## RATINGS:

★ MOYES ★★ SEXTON ★★★ ATKINSON ★★★★ BUSBY ★★★★★ FERGUSON

## The Lego Movie

(Warner Home Video, DVD £9.99, Blu-ray 3D £17)

Phil Lord and Chris Miller know funny. They charmed many with the still underseen *Cloudy With a Chance of Meatballs* (and its fine sequel) and turned a moribund cop show into a genuinely hilarious buddy movie with *21 Jump Street*. And now they take the house of bricks to the multiplex, and they deliver again.

Visually stunning – DVD is fine, Blu-ray better, Blu-ray 3D awesome – at times this is like watching enhanced cut scenes from the many excellent Lego console games of the past few years.

That would mean nothing without plot, character and laughs, and these are all in place too. The superb Chris Pratt is Emmet, our hero, an ordinary Lego character mistakenly identified as the 'Special' needed to fight against the evil machinations of Lord Business (Will Ferrell). The voice cast is superb, with Elizabeth Banks, Morgan Freeman and Channing Tatum all delivering, although we especially loved Will Arnett's Batman. Sight gags are relentless – you'll want to rewatch this multiple times – and the 'Everything is Awesome' song is a brain worm you won't be able to escape.

The whole kit and caboodle is energetic, charming and funny, and will send kids scurrying to their Lego sets to recreate Emmet's double-decker couch. A chance of pace in the last act is also welcome, and roots this fantasy film firmly in the real world. Lord and Miller, we salute you. ★★★★★

## Rear Window

(Universal Pictures UK, Blu-ray £9)

If you picked up the last anniversary Blu-ray of this, then don't bother with this one. Same old extras, a few art cards you'll stick in a drawer. If you didn't, however, then do so, especially at this price. Hitchcock's classic looks a treat in hi-def, and as this film is so much about the visuals, that's essential. The peerless James Stewart is 'Jeff', a photographer resting up with a broken leg who thinks he's seen something suspicious in the apartments opposite. He reckons Lars Thorwald (Raymond Burr) is up to no good, and with his fiancée Lisa (a radiant Grace Kelly) decides to investigate from his chair. It's tense, clever, funny and beautifully framed and, for this reviewer's money, a much more enjoyable watch than *Vertigo*. ★★★★★

## Muppets Most Wanted

(Walt Disney, DVD £10, Blu-ray £14.99)

Advance word was that this new Muppets movie was a step down from the last reboot. Nonsense. It's more of the same silliness, drafting in Ricky Gervais (as Dominic Badguy) and Tina Fey (as prison warden Nadya) as the celebs. The songs are still brilliant, the Muppet daftness and cameos as effortlessly enchanting as ever, and the plot – Badguy and Kermit doppelganger Constantine plotting a crime that sees Kermit locked up – a macguffin that tees up plenty of comedic flights of fancy. It gets carried away but, look, it's a Muppets film. It should. Good blooper reel too. One for kids both big and small. ★★★★★

## The Quiller Memorandum

(Network, Blu-ray £10.89)

There's lots to like about this spy thriller, not least the Harold Pinter script and a pace that doesn't relent. George Segal is in fine form as the spy on the run from neo-Nazis. What isn't so good is the shabby transfer. It seems like no effort has been made to clean this up, meaning it actually looks DVD quality. A shame. ★★★

## Don Bradman Cricket 14

(Tru Blu, PS3, Xbox 360 £39.84)

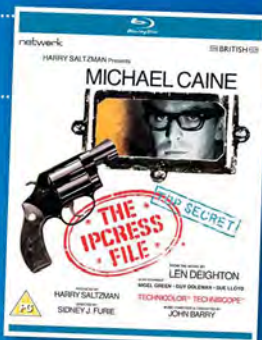

It's been a while since a proper console cricket game came along – and this is proper. It might lack the licenses and the razzmatazz, but the gameplay is tricky and deep, and the features include DRS, appealing, weather and pitch types. Niche, yes, but for cricket lovers a boon. ★★★★★

## The Ipcress File

(Network, Blu-ray £10.85)

A Len Deighton novel, a John Barry score and an iconic Michael Caine performance. It's easy to overlook Sidney J. Furie's classy, stylish direction amidst all that. The joys of this espionage thriller are all intact, a British film that will seemingly never age. Fine extras include director commentary, mini-docs and an interview with Caine. ★★★★★

# Classic Corner

## On the Waterfront

(Sony Home, Blu-ray £11.60)

Marlon Brando's indelible performance as Terry Malloy is probably one that is more quoted than watched these days. Here's the perfect opportunity to remedy that. Elia Kazan's tale of corruption on the docks isn't all about Brando – good as he is. There's also a thrilling story, and a clutch of brilliant turns from Lee J. Cobb, Eve Marie Saint, Rod Steiger and the walking schnozz that is Karl Malden. Blu-ray features are scant but interesting, so cop this more for the polished visuals that bring this timeless classic bang up to date.

# book club

## Men of Tomorrow

Gerard Jones (Basic Books, £8.85)

Gerard Jones takes us back to the birth of the modern comic in this wonderful, riveting and often sad book. The young hopefuls of the 1920's, the inventors of Superman who barely saw a dime from their creation, the gangsters who profited from the work of the geeks – Jones does a great job in capturing the tone of the times, charting the key landmarks in this keystone of culture.

## Kingmaker: Winter Pilgrims

Toby Clements (Century, £16.99)

Fans of the gritty historical novel have long had Bernard Cornwell and Conn Iggulden to feed their needs. Add Toby Clements to the list. Set during the 15th century War of the Roses, we follow a young nun and monk, expelled from their orders, as they flee war, strife and persecution. Clements handles his material with aplomb, makes us care and, even better, there's more to come.

## Galveston

Nic Pizzolatto (Sphere, £7.99)

Finished watching HBO's excellent *True Detective* and want more of the same? That show's creator is the author of this slim, acclaimed volume, and it's well worth your time. Roy Cady, a bagman, finds himself double-crossed and on the run with a teenage prostitute. Redemption? Revenge? All of the above, and tropes familiar from Pizzolatto's TV work. Lovely stuff.

## Velvet Volume 1

Ed Brubaker (Image Comics, £7.50)

Ed Brubaker and artist Steve Epting created *Captain America: Winter Soldier* for Marvel, but this indie is equally good. The premise is 'what if Miss Moneybags was actually a spy', and in Velvet Templeton they've created a fascinating, complex character. Hard action, twists aplenty, superb artwork – this is a series we're already hooked on. Roll on part two. ♠

## Samsung HT-H7750Wm

[www.samsung.co.uk](http://www.samsung.co.uk)

TV manufacturers have decided that the consumer likes slimline TV's with a bezel so small that you've got zero chance of getting any good sound from it. And it's true, they do look better than the chunky plasmas of old, but the manufacturers get to double dip by also selling you a soundbar to enhance the TV, or a surround sound system like this one. It's a cracker, with 7.1 speakers, multi-channel amp, top sound, a 3D Blu-ray player (for the handful of 3D films worth watching) and lots of functions. Set-up is a little finicky, but once you've done you'll have world class sound. Screw the neighbours.

**Pros:** Combines looks, sound and features.

**Cons:** Takes time to put together.

## Panasonic TX-47AS740

[Panasonic.co.uk](http://Panasonic.co.uk)

Here's one of those aforementioned TV's, with its tiny bezel, sub-standard sound but good looks and smart features. The smart hubs are all about who has what app, and how easy is it to navigate, but that means nothing if the telly itself doesn't deliver. Well, this has great viewing angles, deep blacks, while 3D and motion are both handled beautifully. The downside? You can buy TV's in the supermarket for £500 that do all that, and this is one is over a grand. A nice TV, but for this price you want every bell and whistle possible.

**Pros:** Smart hub is good, picture nice.

**Cons:** £1200 for gaming lag this bad?

## Samsung Galaxy Tab S10.5

[samsung.co.uk](http://samsung.co.uk)

Anyone who only considers Apple when buying a tablet in 2014 is an idiot who's suckered in by advertising. Got a kid? A HUDL will do nicely. Want all the good stuff that Apple does? There's plenty out there. Samsung's latest boasts a 10.5" Super AMOLED screen that is offset by the nice metal frame, 3GB ram, sweet processor and stacks of options. Battery life is above average, the camera more than sufficient and Android continues to improve. Time to think outside the Apple box.

**Pros:** Screen is brilliant, feels like a premium item.

**Cons:** Samsung's Android OS a bit annoying. ♣

She lives for lust...

**T**he delightful Mia has graced these pages before, but it's been a good while now.

"I thought you'd never invite me back," she laughs, "I wondered if I'd done something to offend you."

Well, as your last appearance featured you telling us exactly how much you like to be fucked, that wasn't the case at all. That's exactly the kind of stuff we like to hear.

"That's right! I'm sorry, I'm a little obsessed with carnal matters. Sex rules my life – maybe it's a hormonal imbalance! It's the first thing I think about in the morning and the last thing I do before I go to bed."

Sounds we like have a hell of a lot in common... ♣

*Holiday humping...*

**N**icole isn't going to get much reading done, going on holiday with Madison. The sunshine makes her horny, and she doesn't plan on leaving Nicole alone.

The latter is still on the first paragraph when Madison starts sucking her boobs, and she

knows she isn't getting past the first page once her bikini briefs are peeled off and a tongue parts her petals.

The heat and the cocktails are a potent combination, and before long all you can hear are moans and the sound of juices flowing. Happy holidays! ♠

**RATINGS:** ★ JACK SPARROW ★★ JACK BLACK ★★★ JACK ATTACK ★★★★★ JACK DOUGLAS ★★★★★★ JACK LEMMON

## Pornstars Like It Big 19

(Brazzers)

While this is just a bunch of scenes shot by Brazzers for their site, we're not mad at the business model that puts this stuff on DVD as well. And we're not mad at the sizzling girls they line up to share some pretty big

dicks. Best of all is a fiveway that sees four well turned out and perfectly manicured sluts – Madison Ivy, Kirsten Price, Rachel Starr and Monique Alexander – going to town on one hideously lucky penis. Not a duff scene in sight. ★★★★★

## Jack Attack 5

(Digital Playground)

Evolution invented the fast forward button for the precise reason that, when you're wanting to spill your seed, you shouldn't have to sit through the 'funny bits' in porn movies. We've barely tittered at a porn film, but once you cut through the crap, the *Jack Attack* series is a reliable stroker. Then again, it's hard not to lose your load to Kayden Kross, Nikki Benz, Britney Young and the wondrous Romi Rain. And that's no joke.

★★★

## On The Air

(Wicked Pictures)

Wicked call this a feature, but really the call-in show is just a device to present a bunch of thematically unlinked vignettes. We're not complaining, we're just saying, is all. We're sure you're as unconcerned with plot as we are, unless you're watching this with a partner and have to pretend to be interested in it. In conclusion: watching Ava Addams, Asa Akira and Brandi Love get their fuck on is reason enough to put it in the slot, but it's not a classic. ★★

## Dear Dani,

I would love to congratulate you for being *Club's* regular sexy babe. You have been one of my favourite sexy models I have ever seen in most PRP titles and you have a beautiful, heavenly body and I hope to see it again and again.

I'd like to say that I am a fan of watching underwater glamour and erotica, watching sexy, beautiful babes just like you swimming around, fully naked or wearing stockings and sussies. Breast-stroke style, presenting their bums and delicious pussies to the camera, their hair flowing and fanning out in all directions. My request or dare for you is to be a sexy, rude and nude siren in a deep swimming pool. I hope you can fulfill this fantasy for me.

Nicholas, Wolverhampton

*Well, Nicholas, first off many thanks for your lovely letter. It's the very first one I received as Club's regular girl, so it's one I always treasure. I love to splash around in a pool, and have done some sexy shoots on my own and with other girls in them before. I want to make you happy, so let's try and make that happen! xx Dani ♣*

## Dear Dani,

I'm a huge fan of yours so I'm really chuffed you're the new *Club* girl. A British blonde – just what we deserve. I'll be honest, my tastes are very traditional and conservative. I like stockings, suspenders, short skirts, long socks, teacher outfits, nurse outfits, that kind of thing. I'd die happy just seeing you do any of those things in *Club*, and I'll buy every issue you're in!

*Martin, Doncaster*

*Why, Martin you sweetie. There's nothing wrong with those tastes at all – I get all tingly and sexy pulling on stockings, they make me feel incredibly powerful and horny. And as for dressing up, the traditional ones are always guaranteed to delight. So just for you I've got a little PVC nurse thing I'm going to pull on next month. See you then! xx Dani ♣*

# GLOBE THEATRE

**All the world's a stage, and sometimes famous ladies get their norks out on it...**

**A**h, the sweet English rose that is Kelly Brook. A lad's mag favourite before they all imploded. An unfairly maligned stint on *The Big Breakfast*, as if presenting a dreadful breakfast zoo TV show was somehow a mark of your worth. But what we can say is that Kelly is only ever in shit films. Sorry, love, it's true. You are the only reason for watching anything you're in, because you're lovely. If you think we're lining up to see *Piranha 3D* or *Survival Island* for any reason other than your cracking face, amazing tits and smashing bum, think again! ♣

## MICHELLE, MY BELLE!

Michelle, my partner, was always desperate to be a glamour model, and whilst I was always well up for her doing it, I had my reservations. I just wasn't sure she was secure enough to handle people we knew seeing her naked, and what some people might think of her. I told her that if she could strip in front of my mates, then she could probably handle it. She wasn't sure to begin with, but I told her that it was that kind of nervousness that I was worried about, so she quickly agreed. Andrew and Darren couldn't believe it when I asked them, but once I told them it was totally cool, I could tell they were looking forward to it!

When Michelle came in the room, she was very serious and didn't say anything to the lads, who she knows well. She was wearing jeans and a top that exposed her midriff, and with the make-up she had on she looked every bit the part. As she unbuttoned her jeans, she stopped to pose, as if she was working an imaginary camera, and all three of us were transfixed. She then pulled her panties down, revealing the top of her pubic hair, and she straightened her arms, which pushed her 36D breasts together.

In one movement, she whipped her T-shirt

off over her head and her tits bounced in her black sheer bra. Michelle then hooked her hands under the band of her bra, and pulled it up, revealing the full glory of her boobs. "Fuckin' hell," I heard Darren mutter unconsciously, and I could see Andrew on the edge of his seat, getting as close to the action as possible. All my doubts were unfounded as she bent over and yanked her jeans down, showing us the crack of her arse, and then further to reveal her pussy lips.

My cock was straining in my boxers, and I saw that Darren had his hand down his trousers. I didn't give a shit about that, as the whole scene was turning me on too much. Michelle was now naked and was totally loving it, getting on her knees and spreading her pussy to the small, excited audience. Rather than feel jealous, it made me feel great that my girlfriend was the object of my mates' desire. Darren clearly wasn't uncomfortable as he had his dick out in the

throat. Filling her mouth with cum, she kept her lips around me until I'd emptied my balls. My mates just looked on in awe as she licked me clean with her tongue.

It was clear that she'd wanted to prove her point beyond any doubt. However, we're now both thinking she should go straight into adult films instead!

*Dean, Gillingham*

## EYES ON THE SIZE!

I have to confess, I'm a size queen. Basically, that means I like big cocks (and I cannot lie!) OK, I know that it's not what you've got that matters but how you use it, but I'll be honest. If a bloke is packing a massive pussy-stuffer, I'll be more likely to get off.

So, how do I get to meet this type of man? It all depends. Sometimes I just get lucky – I'll cop off and he'll just turn out to be well endowed. I've also been known to find online contacts. I've discovered that a really filthy

“**Her hand was almost a blur as she brought him off, his spunk shooting everywhere”**

open, and was tossing himself off, while Michelle licked her own tit about two feet away from him. Andrew followed suit, and as they both stared, cocks in hand, Michelle nearly sent them into convulsions when she licked her finger and poked it into herself.

What no-one was ready for, however, was Michelle walking forward on all fours and grabbing hold of Darren's prick and then reaching for Andrew's too. She began to drive her hands down hard over the shafts, and I soon had my own length out in the open. Darren almost immediately shot his load, and Michelle kept her hand around his penis, letting the cum drip all over it, before turning to concentrate on Andrew. Her hand was almost a blur, as she brought him off, causing his spunk to shoot everywhere.

She rubbed the jizz from her hands into her tits and then approached me with a big smile on her face. She sank her mouth over my cock and took me to the back of her

picture makes all the difference. I bought a big, realistic dildo and took a picture of it crammed into my snatch, so potential fuck-partners know I'm not bluffing about how much dick I can take.

I've fucked a few guys I've met online. One was tall and skinny with about eight inches. He was actually married but frustrated because his wife had trouble taking his cock in the really deep positions, like from behind, and so he got in touch. He was a bit vanilla for my liking and said he felt guilty and dirty that he was screwing around. But I reckon that really, he got off on being "bad". Put it like this, once we got going, I didn't have to tell him to fuck me harder at – not that I asked him to slow down or ease off, either!

I got a few timewasters, blokes whose idea of a huge cock didn't match up to mine, so I insisted on seeing pictures of their dicks at full stiffness before taking things further. I had fun narrowing down the shortlist – I had all the pictures open on the screen, then started to frig myself. The photos I was drawn to were the ones I decided to contact, though I only ended up getting it together with one.

His name was James and he's probably the biggest I've had so far. As we lived a few hours away from each other, we decided to meet halfway – more anonymous, then. He sorted that out, in a nicer hotel than I expected, then we had a drink in the bar. He said no pressure, but the next time I got up to go to the ladies, I reached down and had a grope to make sure his picture had been for real. No worries there. He was big, and he

**I started to suck him, a little at a time. There was no way I could deepthroat him!"**

was straining hard. I could feel my pussy frothing up as we sat finishing our drinks and my knickers were soaking wet by the time we got to the room.

Still we didn't rush it. James got me to strip off and I teased him and myself as much as I could bear. He had me strutting around in my sexy lingerie and heels, then he called me over so he could touch up my snatch. Even though it was streaming, he said he could get

me wetter, so he had me bend over with my crotch right in his face.

He slipped my knickers down, then started to lick my clit, slipping his tongue in between my swollen labia. He had a little play with my arse, too, asking did I think he could fit his cock in there. We never tried

that, sadly, but I'd have been up for the challenge! I'd been wearing a silk scarf and now he tied it gently over my eyes as a blindfold. The tension mounted as I heard him undress, wondering what he'd do next. Then he positioned me on the floor in between his legs as he sat on the edge of the bed.

When he took the blindfold back off me, his cock was right in my face. Even though I'd seen the pictures and had a little feel, I still gasped in shock. It looked so swollen, the head of it deep purple and shiny with the precum he'd smeared over it. The tip of it was seeping more and I couldn't resist a lick, shutting my eyes to focus on the taste of it. And I kept them shut until he started playing it over my lips.

I started to suck him, a little at a time, opening wide to take his helmet in. There was no way I could deep throat it, but I used my hands on the lower part of his shaft, to squeeze and stroke him.

When I suck cock I tend to get caught up in it, so although I was desperate to get him in my pussy, which was throbbing like hell by now, I wasn't going to let it out of my mouth. It wasn't like he was going to last much longer anyway and, a couple of sucks later, I got the first spurt in the back of the throat, then opened my mouth, resting it against my tongue as he finished.

I didn't swallow, just let it drip out down my chin and onto my boobs. His balls were big,

**“I love those few seconds of anticipation, when a cock brushes up against me before the guy sticks it in”**

to match his dick, and by the time he was spent, my little orbs were slathered all over with spunk. I had fun playing with it, working it all over my tits and licking it off my fingers, which got him horny again pretty soon. When he was ready, I got on all fours, saying I wanted to be fucked from behind, so I could feel how deep it would go.

This was what I'd been waiting for. His licks had got me hot, but I'd held off playing with myself, wanting to save my pussy for his cock. I love those few seconds of anticipation, when a cock brushes up against me before the guy sticks it in, and the little sparks of pleasure running through me got me clamping tight around him the second he

was inside me. Taking him all the way in was pretty tight going – I could feel him stretch my pussy lengthways as he sank right in to the hilt.

He started off slow at first, but we were soon going at it so hard we didn't last more than a couple of minutes before having to take a breather and get back in control. James told me to lie on my back, then slipped in and grabbed my ankles, pushing my legs up so he could plunge in deep again. He had me playing with my tits and I was rough with them, squeezing and tweaking as he rubbed my clit to orgasm.

My cunt was spasming around him – he said later the ripples felt like I was wanking him off. That's why it only took a few more thrusts before his cock was gushing its cream out inside me.

That's the best one-on-one fuck I've had so far, but a couple of weeks ago, I had my first-ever threesome. It was with two local lads who had plenty to be proud of – Steve and Si. I was sucking on Si's dick – OK, it wasn't as big as James's but it meant I could take him

deeper. Then Steve, another big, tall lad was ramming me from the rear. He reached under me to cup my tits, filling my snatch full of meat so his balls were thudding up against my labia.

I was getting fucked at both ends, Steve's thrusts in shoving my face forward onto Si's cock, then pulling it off again as he moved back. Steve kept his cool – he wanted to see me finish off his mate before he shot, and Si just let things happen. I was sucking in as much of him as I could, hands scrabbling at his nuts, tongue twirling as I relished the slow grind from behind me.

Then Steve gave my tits a hard squeeze and I sucked harder, taking Si slightly by surprise. That's the first time he tried to hold back but it was too late – I must have felt it coming, though, as I let him out and took his entire load in my face. I think it must have unleashed my inner bitch as I pulled off Steve and demanded he get on his back. I impaled my pussy on his big length, licking my lips as his best mate's mess dripped onto them, and gripping around his shaft. He stuck it out – and up me – for maybe another minute before I got my next load of spunk, shot deep inside me as his prick stretched my orgasming snatch to the max.

They teased me that they'd tell all their mates what a slut I'd been, probably thinking I'd beg them to keep it a secret. Bring it on, I said, send them over. But tell them if they're under seven inches, not to bother. I've had a few comments since then, mostly snide, but who cares? If I've got a reputation for being a nympho for big dicks, maybe it'll bring a few more my way!

# PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## BLACK CRACK!

Nothing turns me on more than the full, rounded globes of a young black girl's bottom. I have always been attracted to women's arses, and from my late teens sought out the big-bottomed girls. I am not talking here about fat birds. I'm talking curvy, with slim neat waists, flat bellies and nice firm boobs.

I have always been an arse watcher, frequently following a young lady with a particularly nicely rounded bum as she walked in front of me along the street. However, it was Estelle's beautiful black arse which at last provided me with the ultimate botty ride. And ever since, I have been concentrating almost entirely on botting black booty.

Estelle works at a garden centre and I had just dropped in to pick up some weedkiller for my back garden. I was about to pay and leave when I clocked Estelle's arse. She was bending over some plants and displaying her splendid buttocks in all their glory. Her jeans looked as though they were spray-painted on to her, the fabric stretched so tightly across her fabulous cheeks as to clearly define the deep cleft between each fleshy pillow. Grabbing a basket from near the entrance, I hovered, surreptitiously ogling her sumptuous curves.

There was nothing for it. I returned the next day, and the next, until I convinced her to go out with me. I usually don't go to such lengths to secure a fuck, but Estelle's arse...! I planned the evening carefully, taking her for a drink first – then on for a meal. When Estelle went to the ladies at the restaurant, I got a great view of her buttocks through the skimpy fabric of her tightly clinging dress. Her panty-line was clearly visible and although her arse was well muscled and toned, it jutted out and

wiggled in a provocative manner. I was relieved when she finally agreed to come back to my place and I ushered her into my car.

Estelle was relaxed and not a bit coy – in fact she reached for my crotch as I drove and tenderly fingered my prick. At last I had her inside the door, and, as we kissed, I cupped the twin spheres of her arse in my hands, pulling her hard against my burgeoning erection. Her lips were soft and of such generous proportions that as I sucked her bottom lip into my mouth I visualised their fleshy fullness wrapped around the thick circumference of my rod. Her hands were large with long tapering fingers... Hell, did she know just how to use them!

Soon I was squirming from her attentions as she lowered my trousers, and, putting a hand inside my jocks, fondled my balls while gently pulling my foreskin back and forth over my helmet with her other hand. My cock responded immediately, swelling and hardening to impressive proportions. Then, in one graceful, fluid movement, she dropped to

the edges of the gusset of her cotton panties.

My cock ached so hard that my eyes watered as she pulled the garment up and over her jigging bristols, which were barely contained in a matching cotton bra. I was surprised at her simple choice of underwear, remembering the assortment of satin and lace lingerie that my other birds had worn. Then it dawned on me that she had made an inspired choice: her attributes were so deliciously erotic that to adorn them with lavish underwear would only detract from their natural beauty.

Turning her onto her stomach, I began

**“Pulling her bumcheeks as far apart as possible I nosed my way upward from her pussy”**

her knees and began gobbling at my stonker like a fuck slut in a porno movie.

I almost fired my load as she worked her head up and down my pulsing erection, using her teeth, tongue and full lips to drive me to the edge. But her beautiful buttocks still held the most attraction for me and, desperate not to miss the opportunity to shag her beautiful black arse, I gently angled her head away from my throbbing prick.

Pulling her up to her feet, I suggested we move to my bedroom, and, pulling my pants from around my ankles, I led the way. In the bedroom I ran my hands over the soft contours of Estelle's lush body through her clothing. She moved out of my reach, and, in a blatantly teasing fashion, rolled her body-hugging dress up over the curves of her delectable derrière.

Her tiny white cotton panties stretched tightly across her bottom flesh, the brilliant white fabric in stark contrast to the deep tone of her ebony skin. Her pubic mound was pronounced and inviting, the tightly curled hairs trimmed neatly and barely visible around

running my fingers down her back, caressing her glossy dark skin. She moaned appreciatively as my fingers reached the base of her spine and stroked the gently rolling hillocks of her arse-cheeks. Obliging, she spread her legs and I moved my attention to the succulent petals that peeped out from between her tightly curled bush. They were moist and exotic looking, darker and fleshier than the labia that I was used to.

Tentatively, I pushed a finger between her pussy lips and was pleased to see that it slid in easily. She was already aroused and ready for use. I eased Estelle up onto her knees, with her legs spread and her bottom cocked in the air. The sight of her naked buttocks presented in such a lewd, vulnerable position had my heart racing.

Almost reverently, I parted her arse-cheeks to reveal the darkly pigmented ring of her anal orifice, hidden in the deep secret fissure between her arse cheeks. The dark, wrinkled rose of her arsehole was so appealing that I could not resist kissing it. She wriggled in surprise at my unexpected touch, and,

looking back questioningly, asked what I was doing. Her nervous gesture suggested to me that she was still an anal virgin.

In an effort to relax her I began licking and nibbling gently at her bum-cheeks, my tongue caressing the entire surface of each cheek before delving between the succulent folds of her pussy. Her cunt-hole was a beautiful deep shade of pink: almost red in places, with darker shading near the extremities. As she became more turned on, her juices trickled from between her thickened labia, dampening the inside of her thighs.

With my tongue buried deep inside her slot, I reached forward and rolled one of her long dark nipples between my thumb and index finger. Her pussy contracted as I squeezed her teat and I tongued her clit in an effort to bring her to climax. As I continued to stimulate her pussy and nipple I was rewarded as her pussy spasmed and with a loud moan she squirted her juices directly onto my tongue.

Stroking the silken skin of her posterior, I held firmly onto her hips and poked my erection against the entrance of her still contracting cunt-hole. Feeling my bell-end pressing into her slot, she pushed back hard – impaling herself on my rigid penis. Dipping her back, she worked her buttocks back and forth on my cock, her remarkably strong pussy muscles gripping the shaft as I shunted it ball-deep inside her.

With my cock fully embedded in her pulsing chuff, I kissed her back as my fingers sought her nipples and once again I stimulated her to orgasm. With her internal muscles constricting around my shaft it took all my effort to

withhold my own climax! Her body jerked as multiple orgasms rippled through her... and I used her euphoric state to persuade her to indulge in some botty play with me.

Promising her that I would stop if she experienced any discomfort, I waited until the last of her contractions had faded before withdrawing my penis. Pulling her bum-cheeks as far apart as possible I nosed my way upward from her pussy, my tongue licking the delicate skin in the depths of her arse crevice until I reached the dark delicate skin encircling her arsehole.

It was more alluring and erotic than I had imagined, and my tongue revelled in caressing the wrinkled, velvety folds of her

sensing that she was ready I inserted a second finger, pushing it easily inside.

To my surprise she looked back at me and invited me to "go right ahead" and stick my cock inside her. Thrilled by her positive reaction, I rubbed my cock up and down the cleft of her arse. She was wriggling her buttocks provocatively, encouraging me to fuck her hole!

I reached for the bottle of baby oil that I keep close at hand on my bedside cabinet, and squirted some onto my shaft. Then I dribbled some over her buttocks and massaged it into her cheeks, allowing a trickle to run down her arse-crack. Rubbing some oil into her ring I pressed my erect penis against her rear entrance, and pushed my bell-end just inside her. Estelle gasped as my thick cock entered her, and her tight sphincter stretched to accommodate it. Once inside, I thrust hard, shunting my weapon further inside her tight rectum. One last push and I was in to the hilt!

I waited for her to adjust to the sensation of having her arse corked. She was panting with excitement as I began to move my cock slowly in and out of her anal orifice. Gradually she began to move on my cock – pushing back into me vigorously as I repeatedly thrust forward. As we moved together in rhythm, her tight anal passage gripped my engorged phallus so tightly that it felt like she was milking me. And, utterly unable to hold off an instant longer, I shot my cream inside her virgin anus, filling her rectal cavity with my seed. It was everything I hoped it would be, and was made even better when Estelle sucked me back to hardness a little later and invited me into the pleasure garden that was her tightest hole again.

puckered little ring. With one hand I continued to play with her clitoris, keeping her on the boil as I rimmed her twitching anus. Ever so gently I pushed my tongue against the centre of her enchanting orifice, poking the tip as far inside the aperture as I could.

She stiffened a little at the first prod, but I soothed her, and with each successive prod of my tongue I squeezed gently on the nub of her clit until I could feel her sphincter give. Then, withdrawing my tongue, I lubricated a finger by dipping it into her warm wet cunt and coating it with her juices.

Circling the circumference of her anal rose with my moistened fingertip, I gently pushed it inside her. Estelle whimpered softly at the first intrusion into her rectum but I continued to stimulate her clit as I pressed forward with my finger and before long I was knuckle deep inside her. She was soon relaxed and began to enjoy herself, and

**MARRY** ♣

Finger bobs...

**M**arry doesn't mind the fact that we've always wondered why she isn't called Mary. She also doesn't mind that we might think it's because someone misspelled her birth certificate. She's very tolerant about that stuff.

What we're not allowed to get wrong is that she's addicted to sex, gets wet being photographed, wanks over dirty letters from fans and even wanks over her own photos in *Club* because she knows you'll be doing the same. In other words, she's our hero.

"I know, I'm so dirty," she says. "But I can't help it. I'm not wanking to myself, I'm wanking to all the guys with hard dicks in their hands. That makes my pussy drip so much!" ♣

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Bible Blip!

Now, if you'd told your 8-year-old son to go and stand in the middle of the M25, you could understand if the police arrested you for child endangerment. Jeffery Williamson, 31, on the other hand, is having a hard time understanding, as are we. Williamson assumed his son Justin had boarded a bus sent by the Woodville Baptist Church with his other four siblings, but in reality Justin had ditched his siblings and wandered to the Family Dollar store a few minutes walk from his house. The store attendant informed the police of an unaccompanied child. Williamson is facing a six-month jail term. God does move in mysterious ways.

## Crap Cop!

Call us old-fashioned, but vandalism is an arrestable offence in our book. So what's a guy got to do to get arrested in Kuna Idaho? Bulldoze the town hall? What clearly doesn't qualify is breaking into someone's house, flooding the kitchen and smearing feces all over the floor as Tricia

Gillaspy experienced. Gillaspy and her husband awoke to find Matthew Coomes, 25, naked in their bedroom before running to another part of the house. Coomes had already left his messy mark by this point but refused to vacate the premises until escorted by a police officer. The Gillaspys were outraged when Coomes was let off with a misdemeanor and driven home. Shit happens.

## Herbal Hijinks!

51-year-old Cynthia Watson was arrested after her 2-year-old granddaughter tested positive for methamphetamine. According to the Police statement, the mother of the toddler had taken her to hospital saying the child was talking rapidly, scratching and could not sit still. Watson, who was apparently visiting, made a cup of tea the night before, lacing it with meth "to get herself high" possibly with the child sipping from it when the tea was left unattended. A real Mad Hatters tea party!

## Fitness Film!

Massachusetts police reported that they were able to identify a gentleman who hid a video camera in a women's changing room, because he captured himself on video while installing the camera. The camera had been recording for 21 minutes when it was found by a member of the 24-hour Plant Fitness health club. Gym employees were able to identify the man in question as a club member. An arrest has not yet been made, though I wonder what he will plead, nude-mentary? ♣
